July 10, 1970

To: Mr. Joseph Milano

From: ROBERT J. LINN (Ext. 7989 — Room 300)  
Subj: TELCO - Change No. 730.003 - Addendum No. 2  
CC: Messrs. M. Levy, C. Lynch, R. Monti,  
J. Schwartzman

230.36

On this date I have been advised that the mock-up sample of truss fireproofing with the over-spray has been completed on the 10th Floor of Tower B by Mario & DiBono.

I am anxious to have Lou DiBono present at Telco's inspection of this mock-up. Therefore, please advise as to what day you plan to have Telco representatives visit the site.
